

CONSERVATION BURIAL ALLIANCE (CBA)

Mission

The Conservation Burial Alliance a collaborative of conservation burial grounds and invested allies that fosters the conservation and sustainable management of land with natural burial for the benefit of people and the planet.

Who We Are

We are a dedicated group of owners, operators, advocates, and partners working together to support the protection, restoration, and sustainable management of conservation land that incorporates natural burial cemeteries.

What We Stand For

As conservation burial advocates, we seek to provide social and ecological spaces that sustain us and sustain the planet by protecting land with conservation value. We believe natural burial is a choice that connects grieving people with nature at a profound moment while promoting environmental benefits of clean air, healthy natural habitats, carbon sequestration, and climate change mitigation through natural burial.
